

Name: Prdimport S.A.

Location: Lima, Peru

Description:

Prdimport S.A. is a leading company in the import sector, specialized in the acquisition and distribution of high-quality products from international markets to Peru and Latin America. Founded in 2005, the company has grown exponentially, consolidating itself as a reliable partner for companies seeking access to innovative and high-demand products in the region.

Mission:

To facilitate access to high-quality international products for companies and consumers in Peru and Latin America, guaranteeing efficient logistics processes and complying with the highest standards of quality and social responsibility.

Vision:

To become the main commercial bridge between Latin America and international markets, promoting economic growth and innovation in the region.

Services:

Import and Distribution: Prdimport S.A. is responsible for the entire import process, from the identification of suppliers in international markets to distribution in national territory. Their distribution network spans all of Peru and several Latin American countries.

International Trade Consulting: The company offers consulting services to help other companies navigate the complexities of international trade, including customs management, import regulations, and marketing strategies.

Comprehensive Logistics: Prdimport S.A. manages the entire supply chain, ensuring that products reach their final destination efficiently and safely. This includes warehousing, transportation, and inventory management services.

Global Sourcing: Thanks to its extensive network of contacts in Asia, Europe, and North America, the company is able to find the best products at competitive prices, negotiating directly with manufacturers and suppliers.

Values:

Integrity: We operate with transparency and ethics in all our transactions.

Innovation: We continually look for new ways to improve our services and offer cutting-edge products.

Social Responsibility: We are committed to conducting business sustainably and contributing positively to the communities where we operate.

Clients:

Prdimport S.A. Prdimport S.A. works with a diverse range of clients, including retailers, wholesalers, supermarket chains, and manufacturers in various industries, such as technology, fashion, food and beverage, and consumer products.

History:

Starting as a small family business, Prdimport S.A. began by importing electronics from Asia. Over time, it expanded its portfolio to include a wide range of products, from gourmet foods to industrial machinery. Over the years, it has developed a reputation for its personalized approach and ability to adapt to changing market needs.

Today, Prdimport S.A. is recognized for its ability to bridge cultural and commercial gaps, connecting Latin American companies with the world, and making each transaction a success story.
